RELIGION & HEALTH

A New Magazine

A 64 page, pocket size, monthly, whose purpose shall be, "to bridge the gap between religion and medicine," under the editorship of Russell L. Dicks, D.D., Litt.D., Duke University, Durham, N. C.; published by Religion & Health Corporation, Gladewater, Texas.

• FIRST ISSUE, FEBRUARY, 1952 •

The magazine will present material dealing with the resources of religion for health, why we act as we do, the emotional care of the child from six months to six years, and how we help each other.

Regular subscription rate: $3.00 per year
Introductory Offer: $2.50 per year (12 issues)
$5.00 two years, (24 issues)

BOX 4802, DUKE STATION, DURHAM, NORTH CAROLINA

SPINOZA DICTIONARY

Edited by Dagobert D. Runes

IN this work, Baruch Spinoza, one of the cardinal thinkers of all time, answers the eternal questions of man and his passions, God and nature. In the deepest sense, this dictionary of Spinoza's philosophy is a veritable treasury of sublime wisdom.

Here is what Albert Einstein writes about this book:

"I have read the *Spinoza Dictionary* with great care. It is, in my opinion, a valuable contribution to philosophical literature.

"If the reader despairs of the business of finding his way through Spinoza's works, here he will find a reliable guide speaking in Spinoza's own words.

"The grand ideas of Spinoza's *Ethics* are brought out clearly in this book, not less than the heroic illusions of this great and passionate man."
